ONE OF THE LEADING PRODUCERS & EXPORTER OF BIDASAR MARBLE & GRANITES

# Company Profile

**TILECO PRIVATE LIMITED (TPL)** is one of the few major companies in the dimensional stone industry of India engaged in mining, processing & marketing of natural stones from India. Established with the objective of producing and supplying top quality natural stones such as Marble, Granite & Sandstone we are today recognised as one of the largest producer and exporter of marble from India. We have been part of the trade since 1978 and have exported to all major markets around the world.

We are also among the very few natural stone companies to have achieved accreditation of **ISO 9001:2000 - Quality Management System** besides being bestowed upon various awards such as:

- The prestigious "Marble Quarry Award 2008-09" from FIMI-AIGSA-CDOS.
- 1<sup>st</sup> Prize for Display at Stonemart, 2011
- Special Award from China Stone Fair, 2010
- 1<sup>st</sup> Prize for Display at Stona, 2008

Our factory is equipped with the latest state of the art plant & machinery imported from China, Italy & USA consisting of **Multiblade Gangsaws, Polishing & Resin Lines for Slabs & Tiles, Bridge Saws, Edge Cutting & Radial Polishing Machines.** We maintain sizeable inventory of Slabs, Tiles & Blocks of various Marble & Granite.

We also own large and fully mechanized quarries of **Rain Forest Brown, Green & Golden Marble** and **Chima Pink Granite** with mining capacity to meet the needs of any project.
